## SUMMARY

.NET Developer with 1.5+ years of experience building scalable web applications using C#, ASP.NET Core, MVC, Entity Framework, and SQL Server. Proficient in designing RESTful APIs, debugging and optimizing backend logic, and collaborating in Agile teams. Adept at clean code practices, problem-solving, and delivering production-ready solutions.

## TECHNICAL SKILLS

**Languages**: C#, JavaScript, HTML5, CSS3

**Frameworks & Technologies**: ASP.NET Core, MVC, Web API, Entity Framework, ADO.NET

**Database**: SQL Server, SQL Server Management Studio

**Tools & IDEs:** Visual Studio, VS Code, Git, GitHub, Azure DevOps

**Soft Skills**: Team Collaboration, Client Communication, Problem Solving, Adaptability

## PROFESSIONAL EXPERIENCE

**Vision Infotech – .NET Developer**
December 2023 – January 2025

- Developed and maintained dynamic web applications using C#, ASP.NET, and MVC.
- Built and integrated RESTful APIs to ensure smooth frontend-backend interaction.
- Managed and optimized SQL Server databases using Entity Framework.
- Focused on performance tuning, code debugging, and system stability improvements.
- Collaborated with cross-functional teams to deliver timely, high-quality solutions.

**Trainee .NET Developer** | June 2023 – December 2023

- Assisted in web application development using ASP.NET Core and MVC.
- Supported database design and data access via SQL Server and Entity Framework.
- Participated in API development and integration testing.
- Collaborated with senior developers on bug fixes and delivery of project modules.

## PROJECTS

**Contora (UK-based Client)**
**Backend Developer & Team Leader | May 2024 – Present**

- Designed a platform for seamless collaboration between businesses and suppliers.
- Developed robust APIs and ensured reliable agreement execution workflows.
- Led a backend team, conducted code reviews, and maintained documentation.

**KDP – Amazon Advertising Management System**
**Software Engineer | January 2024 – May 2024**

- Created a platform for managing Amazon ad campaigns using .NET Core & SQL Server.
- Enabled automated ad scheduling based on peak hours to increase visibility.
- Collaborated with team members on CI/CD integration via Azure DevOps.

## EDUCATION

**Parul University | 2019 - 2023**
Bachelor Of Technology - 7.8 CGPA

## LANGUAGE

Hindi | English | Bengali | Gujarati
